**On the front cover:** Kahla Statema, 2017 graduate from the College of Liberal Arts, Journalism with a minor in Professional Writing, submitted this expression of “Clear and Silver” by the artist Dale Chihuly for the 2015 inaugural Kathryn A Martin Library photo contest. “Clear and Silver” was aptly named for the silver melted into the liquid glass as it was blown and transformed to an amorphous solid. The UMD library, like this chandelier, represents a ‘coming together place’ of people, resources, knowledge, science and creative effort. While we are centered at UMD, our multiple connection points launch from a safe place of togetherness, bending and twisting outward to effect positive change in the world.

**Inside pages:** Commencement program photo collage and diploma insert designed by Laura Sowers, 2017 graduate from the School of Fine Arts with a major in Graphic Design and the Office of the Registrar intern.

# *The Commencement Speaker*

## **Fernando Delgado**

*Executive Vice Chancellor for Academic Affairs*

Fernando Delgado began his role as UMD's Executive Vice Chancellor for Academic Affairs in July 2016. He serves as the chief academic officer for the UMD campus and oversees all academic functions of the campus. He previously served as the Vice Chancellor for Academic Affairs and Provost at the University of Wisconsin River Falls. Dr. Delgado has also held administrative positions at Hamline University and Minnesota State University Mankato. He holds a Ph.D. and Master of Arts in communication studies from the University of Iowa and a Bachelor of Arts in political science from San Jose State University.

## Student Speakers

### Jireh Mabamba

*Labovitz School of Business & Economics  
Marketing and Organizational Management*

Jireh Mabamba's UMD story began in the Democratic Republic of Congo (DRC) where he was born. When rebel leaders in the DRC began recruiting children to be soldiers, his parents spoke out against the movement. Death threats forced the family to flee. They eventually ended up in Durban, South Africa, where his family was still at risk from xenophobic attacks. Jireh received a scholarship to attend a prestigious South African high school. There he excelled academically and in sports. After graduating, he received a Rotary International scholarship to come to Duluth as an exchange student at Duluth East High School.

After graduating from East, Jireh enrolled at UMD where he double majored in marketing and organizational management. He was not only involved in his studies, but was also the founder and former president of the UMD Rotaract Club, which is dedicated to giving back to the community. He was a Resident Advisor in UMD Housing and Residence Life for three years, and recently was the director of the UMD Entrepreneurship Conference which seeks to connect students and community members with successful entrepreneurs locally and nationally.

When Jireh is asked why he is involved, his reply is "I am passionate to serve others. I feel that there is no better reward than the satisfaction of knowing that you have made a difference in someone's life."

### Nevada Littlewolf

*School of Fine Arts  
Studio Art*

Nevada Littlewolf's UMD journey began 20 years ago; then she took time off to raise her family. When she returned to UMD last year to complete her Bachelor of Fine Arts degree, she arrived with considerable experience in political leadership, public policy, civic engagement, and the arts.

A member of the Leech Lake Band of Ojibwe, Nevada is an elected official on the Virginia City Council. Most recently, she served as a member of the Visual Quality Committee for the Highway 53 Bridge Design and consulted on the Virginia Mural Committee's Ojibwe-themed public art piece.

Her background in art informs her leadership work. "Creativity and innovation are needed in all aspects of life. They are valuable in any profession," she says. Nevada was a 2016 Bush Leadership Fellow and is the founder and executive director of Rural American Indigenous Leadership (RAIL) an organization dedicated to supporting, training, and networking rural women leaders.

Her next goal is to earn a master's degree in public policy. She and her partner Todd live in Virginia, Minnesota, with their two children, Mika and Kira

# Student Awards

## Sieur du Luth Award

This is the highest award given to a UMD undergraduate. It honors exemplary service of three or more years to student organizations, the University, and the community.

### Jireh Mabamba

*Labovitz School of Business and Economics  
Marketing and Organizational Management*

Jireh's involvement at UMD and in the community has been stellar. As a freshman, he was the founder and president of the UMD Rotaract Club, a "junior Rotary club" dedicated to helping people in Duluth. In 2014, the club raised over \$14K in donations to alleviate homelessness in the community. UMD Rotaract was named UMD's best club of the year in 2016, and Jireh received the UMD Student Leadership Award.

In his sophomore year, Jireh began working as a Resident Advisor in UMD Housing and Residence Life, a position he's held for three years. In 2014 and 2015, he served as a facilitator for the Rotary Youth Leadership Award (RYLA) where he helped mentor high schools students from Canada and the U.S.

As a junior, Jireh was the director of the UMD Entrepreneur Conference, a student-run conference. He has served on the Labovitz School of Business & Economics (LSBE) Dean Advisory Council since 2015. In 2016, Jireh received the Bulldog Leadership award.

As a senior, Jireh helped establish the LSBE Senior Celebration event. Jireh has held internships with Target Corporation and mostly recently with the UMD Development office.

## Student Employee of the Year

This award honors exemplary service based upon reliability, quality, initiative, professionalism, and the unique contribution to the University of Minnesota Duluth.

### Samuel Quackenbush

*College of Liberal Arts  
Communications*

For the past three years, Sam Quackenbush has served in multiple roles at KUMD-FM Radio, including DJ, community promotions director, and most recently, assistant marketing director. A communication major minoring in arts and media, Sam has been responsible for all of KUMD events and promotions, sponsorships, online marketing, social media, and web coordination. He has overseen the work of their student marketing team, managed concert promotional contracts, and led the coordination of the station's bi-annual membership drives. In their Student Employee of the Year nomination, KUMD said, "Sam is a rock. He is organized and consistent, paralleling KUMD professionals with his contributions and responsibilities. He works incredibly hard." For Sam, KUMD allows him to flow between many of the things he values most. "KUMD is a bridge between the campus and the community. It's the best of both worlds. That's why I love to work there." After graduation, Sam wants to help creative, entrepreneurial start-ups be successful. Alaska or India are at the top of his list for places to live.

# UMD Faculty Awards & Recognition

## Chancellor's Award for Excellence in Teaching

This award recognizes faculty who have made contributions to the teaching mission of UMD that are of extraordinary quality and reflect UMD's emphasis on high quality undergraduate and graduate education. This award honors faculty for innovative pedagogy, development of creative and critical thinking, student mentoring, commitment to liberal education, leadership, and impact within a department.

### Dennis Falk

*Professor, Social Work, College of Education & Human Service Professions*

**Dennis (Denny) Falk** is Professor in the Department of Social Work in the College of Education and Human Service Professions (CEHSP), and currently serves as a Faculty Fellow for Internationalization and for the Higher Learning Commission Quality Initiative. He holds a B.A. degree in Psychology from Macalester College and a Ph.D. in Educational Psychology (social psychology emphasis) from the University of Minnesota. Denny joined the UMD faculty in 1977 after teaching previously at the Abbott-Northwestern School of Nursing, and the Morris and Twin Cities campuses of the University of Minnesota. He has taught over 30 different courses at UMD, most frequently teaching courses on human behavior, social work research, and global issues. He previously received the CEHSP Gemeinhardt Award for Advising and the University of Minnesota Award for Outstanding Contributions to Post-Baccalaureate, Graduate, and Professional Education. He co-authored two books, *Multimedia in Higher Education: A Practical Guide to New Tools for Interactive Teaching and Learning* and three editions of *Educating Globally Competent Citizens: A Toolkit*.

## Chancellor's Distinguished Research/Creative Activity Award

Faculty members who receive this award are honored for their excellence in research or creative activity, scholarly or artistic contributions to individual disciplines and dedication to student research.

### Jay Austin

*Professor, Physics and Large Lakes Observatory, Swenson College of Science & Engineering*

**Jay Austin** is Professor and Department Head in the Department of Physics and Astronomy and holds a joint appointment at the Large Lakes Observatory. He has been at UMD since 2005. He received his B.S. degree from Cal Poly, San Luis Obispo in Physics and Mathematics, and received a Ph.D. in Physical Oceanography, jointly awarded by the Woods Hole Oceanographic Institution and the Massachusetts Institute of Technology in 1999. His research interests are diverse, drawing on the rich array of physical phenomena in large lakes. His initial work at UMD dealt with the response of large lakes to climate change, work that persists to this day. In addition, he is interested in wind-driven circulation, ecological acoustics, and the role of ice on large lakes, among other topics. He is primarily an observationalist, spending time in the field, on boats, collecting novel data, and bringing oceanographic techniques to the field of lake studies. Support for his work has come primarily from the National Science Foundation and the National Oceanic and Atmospheric Administration.

# UMD Faculty Awards & Recognition

## Chancellor's Award for Outstanding Public Service

This award honors faculty who have demonstrated extraordinary and sustained commitment to public service and community engagement. This award recognizes faculty who have demonstrated an integration of civic and community engagement in their teaching, shown leadership in advancing students' civic learning, conducted community-based research, fostered community partnerships, promoted the scholarship of engagement among their colleagues or made contributions to positive change on issues of public concern.

### Alison Hoxie

*Assistant Professor, Mechanical & Industrial Engineering,  
Swenson College of Science & Engineering*

**Dr. Alison Hoxie** is an Assistant Professor in the Department of Mechanical and Industrial Engineering at UMD. She received her Ph.D. from the University of Minnesota Twin Cities in 2007 where she studied turbulent reacting flows in ramjet engines. Her current research focuses on renewable energy demonstration projects as well as, fundamental fluid mechanics and reacting systems. She is currently working on projects in wind energy, solar energy, plus storage and atomization. She also works to improve the combustion characteristics of biofuels as well as improve their cost effectiveness. She is published in several journals including *Fuel*, *Renewable Energy*, and *Propulsion and Power*. She is also the recipient of the Swenson College of Science & Engineering Young Teacher Award and the UMD Sustainability Inspiration Award.

## Albert Tezla Teacher/Scholar Award

This award is given annually to faculty members in the College of Liberal Arts or the School of Fine Arts who have an exceptional and effective teaching style that emphasizes the worth of research in a learned discipline and the maturing impact scholarly activity has on the development of human attitudes and values.

*University Honors Director, Associate Professor of Communication*

### University Honors

Committed to the liberal arts mission of UMD, University Honors provides some of our most motivated students the opportunity to push themselves academically and personally. University Honors students graduate by achieving the highest academic standards and by engaging deeply in a broad array of honors-level academic courses, cultural and leadership experiences, research and creative expression projects, and meaningful work within the Duluth community. University Honors students commit hundreds of hours of work to expand their undergraduate experience.

# Academic Attire

**The Gown:** The flowing gown comes from the 12th century, evolving from the dress of medieval guilds and the early religious orders. Today it is a symbol of democracy of scholarship. It is black for all degrees with standard sleeves for the bachelor's degree recipient, long, closed sleeves for the master's, and standard or round full sleeves for the doctoral degree. For the doctoral degree, the front face of the gown has velvet panels and has three chevron bars of velvet across the sleeves in black or in the color distinctive of the faculty's discipline.

**The Cap:** The black academic cap is a sign of freedom of scholarship and independence worn by all bachelor's and master's graduates. The term "mortar-board" is derived from the similar, four-sided mortar-board used by masons. A clue as to why Oxford faculty members chose the square cap is found in the 1564 poem. "Tis square like scholars and their books: The rest are round, but this is square to show that they more stable are." Doctoral graduates may wear a velvet tam.

**The Tassel:** Colors represent the academic discipline in each UMD school or college:

**Labovitz School of Business and Economics**

- drab (subdued orange) or copper

**College of Education and Human Services Professions**

- light blue, grey, gold, citron (yellow-green) or sage

**School of Fine Arts** - brown, pink, or white

**College of Liberal Arts** - citron (yellow-green), gold, peacock (blue-green), purple or white

**Swenson College of Science and Engineering** - gold or orange

**Masters and Doctorates** - black

**The Hood:** Hoods indicate master's and doctoral degrees. The front colored band indicates the academic discipline, while the lining of the hood has a maroon chevron on a gold background to represent the University of Minnesota colors. University faculty members who hold a degree from another college or university wear the colors of his/her own school. The doctoral hood is longer than the master's, and has a wider velvet band.

## Student Honor Medallions

**Honor Medallions** are worn by candidates for the bachelor's degree who are in the top 15% of the graduating class within their school or college.

**Top 3% (Summa Cum Laude)**

**Top 5% (Magna Cum Laude)**

**Top 7% (Cum Laude)**

For the purpose of the commencement program, honors are based upon the UMD grade point average at the end of the previously completed term. Honors will be conferred as indicated on those listed and others who meet final graduation requirements.

## Ceremonial Objects

**The Mace,** which is carried by the faculty member leading the academic procession, symbolizes leadership and authority. Use of a mace dates back to the 12th century when it was carried by kings' bodyguards.

Even in more modern times, the mace has maintained some of its ancient function of keeping order. The doorkeeper of the House of Representatives has a mace for use in formal House activities.

The mace carried in UMD's commencement procession has a glass sphere topped by the North Star; a symbol of the state of Minnesota. It also has a seal of the University set in the handle.

**The Seal** was adopted by the Board of Regents in 1939 as the corporate seal of the University of Minnesota. The Latin motto, *Omnibus artibus commune vinculum*, means "a common bond for all the arts." The lamp represents the metaphysical sciences, the telescope represents the physical sciences, the plow represents the industrial arts and the palette and brushes represent the fine arts.

**The University of Minnesota flag** depicts the seal of the Regents of the University of Minnesota.

## Honor Cords & Stoles

- **Air Force Reserve Officer Training Corps (AFROTC)** - blue stole with silver trim and white embroidered Air Force symbol
- **Beta Gamma Sigma** - International Honor Society; blue & gold cords
- **Departmental Honors** - gold cord
- **Labovitz School of Business & Economics** - teal and white cords symbolize the LSBE building and their academic home of learning
- **Omicron Delta Epsilon** - International Honor Society; blue & gold cords
- **United States Military** - Red, white & blue cords
- **Phi Alpha Theta** - National History Honor Society; scarlet & grey cords
- **Society for Human Resource Management** - white, baby blue & dark blue cords
- **Tau Beta Pi** - National Engineering Honor Society; white stole with an orange "bent" on the front, the symbol of the society
- **University Honors** - Twisted maroon & gold cord

## *Non-Academic Recognition*

### **Multicultural Symbols**

- American Indian students graduating today may wear any of several pieces of traditional American Indian regalia including an eagle feather, which is considered sacred and represents honesty, truth, courage and wisdom; beadwork representing their tribal, clan or individual cultural designs; or traditional clothing and regalia. Some may wear a yellow, black, white and red sash that represents many things including, but not limited to: the four races, four directions, four stages of life, four seasons, and the four sacred plants.
- Also as part of their cultural heritage, some African American graduates may be wearing woven cloths with patterns and design, such as a Kente Cloth, representing their ethnicity or customs. International students may wear a stole with multiple colors. The stole has a black background, red, gold & green stripes, and letters and symbols in gold. The Ashanti Stole symbol represents royalty, the diamond (neck area) represents wealth and riches and the key represents the key of success. "Class of 2017" is woven on both sides.
- Gay, Lesbian, Bisexual, & Transgender students may wear a rainbow colored tassel.

### *Fond du Lac Reservation MA-IIN-GAN Singers*

Drummers and singers from the Fond du Lac Band of Lake Superior Chippewa will perform an honor song featuring a traditional Ojibwe drum from the Fond du Lac Band. The singers are led by Mike Munnel, UMD's first American Indian Studies graduate. The group performs at dozens of events in the upper Midwest each year and is often featured at UMD events. This drum is one of the first in Minnesota to welcome women singers to sing with the male singers at the drum. An honor song offers sincere thanks and acknowledgment of accomplishments.

### *UMD Symphonic Wind Ensemble*

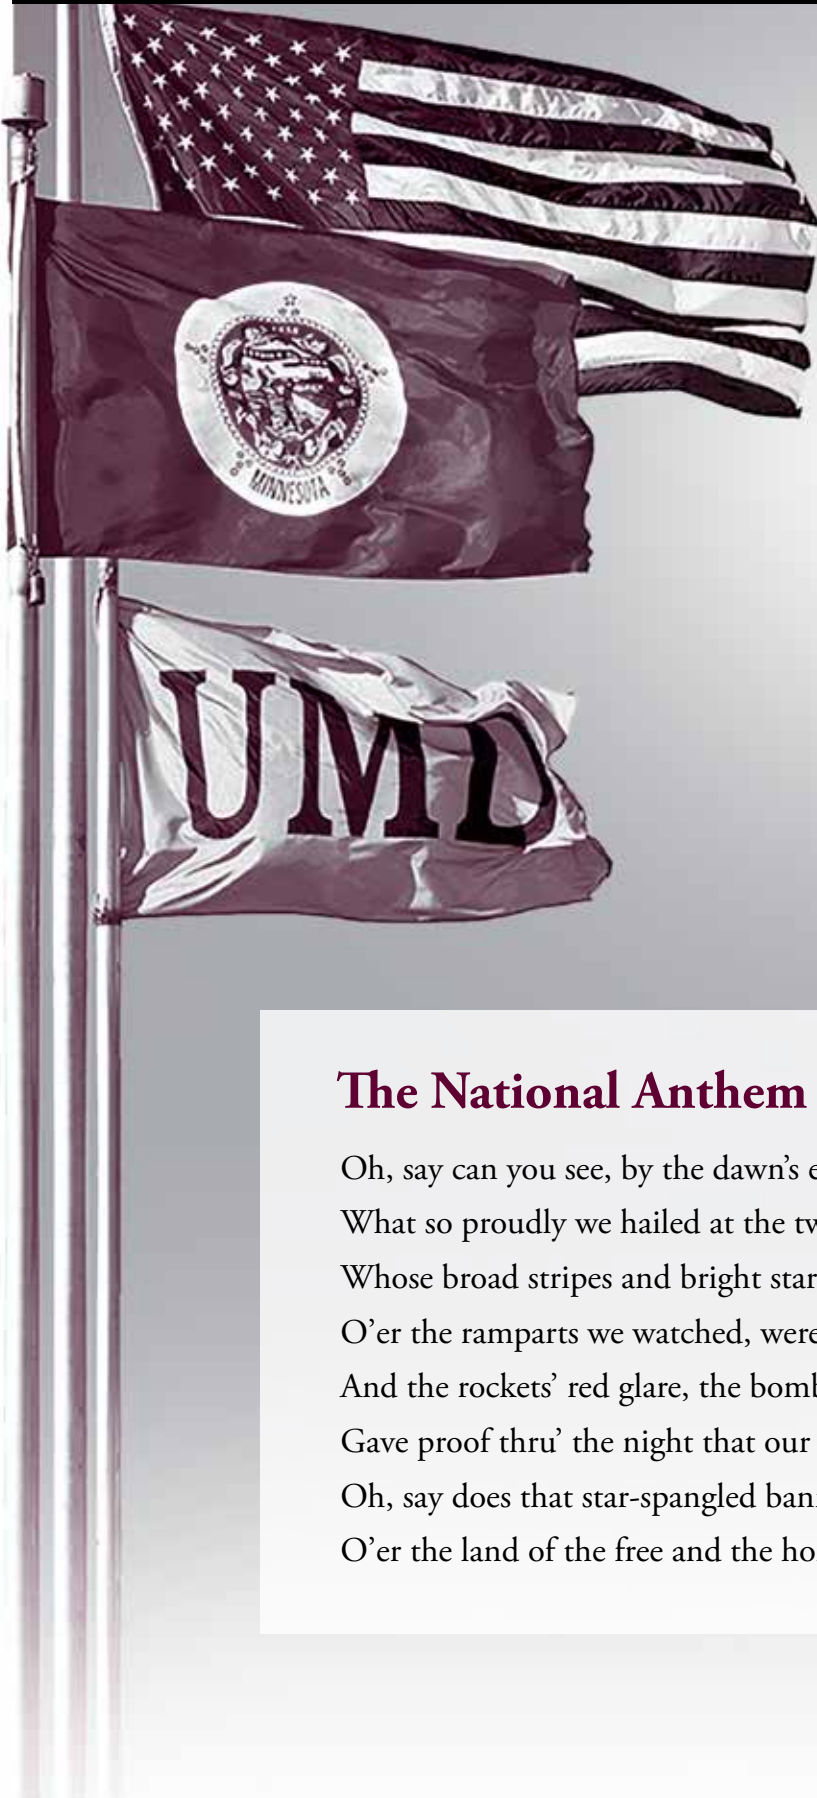

The Symphonic Wind Ensemble is a select unit of approximately 50 music and non-music majors and is one of the premier ensembles in the UMD Department of Music. The ensemble regularly performs new compositions for the wind band medium and programs the most outstanding literature currently available. The group tours frequently and has appeared at the Minnesota Music Educators Association Conference and the College Band Directors National Association National Conference. Besides taking regional tours, the Symphonic Wind Ensemble has also toured internationally in Brazil. Recent guest conductors and clinicians have included: Frank Ticheli, Eric Whitacre, David Gillingham, Mark Camphouse, Phillip Sparke, and Myron Welch.

### **Hail! Minnesota**

Minnesota, Hail to thee!  
Hail to thee, our College dear!  
Thy light shall ever be  
A beacon bright and clear;  
Thy sons and daughters true  
Will proclaim thee near and far;  
They will guard thy fame  
And adore thy name;  
Thou shalt be their Northern Star.  
Like the stream that bends to sea,  
Like the pine that seeks the blue!  
Minnesota, still for thee  
Sons and daughters strong and true;  
From thy woods and waters fair  
From thy prairies waving far,  
At thy call they throng  
With their shout and song,  
Hailing thee their Northern Star.

### **The National Anthem**

Oh, say can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming,  
Whose broad stripes and bright stars, thru' the perilous fight,  
O'er the ramparts we watched, were so gallantly streaming.  
And the rockets' red glare, the bombs bursting in air,  
Gave proof thru' the night that our flag was still there.  
Oh, say does that star-spangled banner yet wave,  
O'er the land of the free and the home of the brave.

## Our Mission

**The University of Minnesota Duluth integrates liberal education, research, creative activity, and public engagement and prepares students to thrive as lifelong learners and globally engaged citizens.**

### Special Notices

A professional photographer from GradImages will photograph each student during commencement. Following commencement, GradImages ([www.gradimages.com](http://www.gradimages.com)) will send proofs and ordering information to students via standard mail and/or email.

The awarding of degrees and academic distinctions listed in this program is contingent upon successful completion of the various degree requirements.

The University of Minnesota shall provide equal access to and opportunity in its programs, facilities, and employment without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression.
